

PARK Golden — B E A C H —

Park Golden Beach

Park Golden Beach is an amazing place positioned on Ohrid Lake, just 2km away from the center. You will think you have ended up in Paradise!

This beach is a brand new place, and this season will be third season from the opening. It is a public beach, but the people accommodated in the apartments behind it, and the people staying in Hotel Inex Gorica get special benefits.

Beside the beach itself, there are apartments for accommodation, there is a beach bar, perfect restaurant, swimming pool, and other entertainments such as tennis, table-tennis and soccer fields, kids playground, parking, free WiFi.

Our program is created to answer the requests to all kind kind of guests. During the day you can relax near the Ohrid Lake with tasty cocktails, and instrumental band will play for You, and all night long you can party followed by well known DJ's.

Word of mouth is the most relevant source, so fell free to ask those who have already been here. Last summer 200.000 guests came from all over the world to feel the real meaning of summer vacation! Forget Spain, Turkey, and Greece. This place is unique and the people you will meet here are happyover to meet new people. They offer themselves and are incredibly hospitable. If you become friends with the people here you will end up with a friend for life.

Make all your wishes come true on the best beach on the Balkans, Park Golden Beach!
