

# MATOSHI BAU LLC

**Owner & General Manager**  
**Mr. Qamil Matoshi**

**Manager: Mr. Halid Selmani**

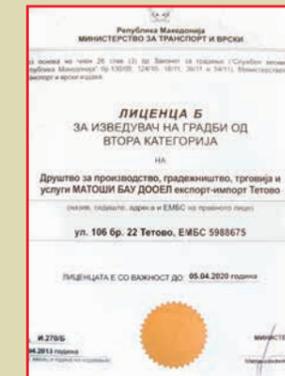

The construction company Matoshi Bau LLC from Tetovo was established in 1980, and ever since then to date it is extensively engaged in the construction business and has seen significant development. The development of the company is primarily due to the high quality of construction and the professionalism of the team. The adherence to agreed deadlines for construction is the main characteristic of this renowned company.

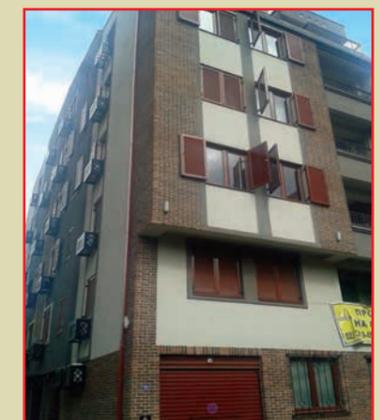

The team of Matoshi Bau LLC consists of highly professional people: architects, engineers, highly qualified workers, who contribute for the high rating of the company with their professional work. Proof of the quality and the professionalism are the numerous concluded partnerships with other companies, and undertaking and construction of buildings, complex and specific for construction.

The company is specialized in construction of tall buildings, design and supervision of construction works. As a guarantee for quality, Matoshi Bau LLC owns license B for construction of buildings of second category, issued by the Ministry of Transport and Communications of the Republic of Macedonia.

Matoshi Bau LLC makes large investments in contemporary, modern machinery and technology, following the global trends in structural engineering. Matoshi Bau also constructs buildings according to the system "turnkey" and their reference list includes: the Clinical Hospital in Tetovo, petrol stations, numerous halls, warehouses, business and residential buildings, individual houses, villas in Popova Shapka and Mavrovo, and other buildings.

The last engagement of the Company is construction of business-residential buildings in Skopje, in St. "Ilindenska" and Blvd. "Partizanski Odredi" where there is also an ongoing sale of business and residential premises. Matoshi Bau LLC bases its future on quality and quick construction.
