

# PUBLIC ENTERPRISE KOMUNALEN SERVIS VALANDOVO

**General Manager  
Mr. Dejan Boshkov**

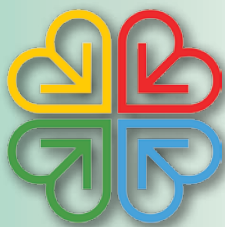

PE KOMUNALEN SERVIS VALANDOVO from Valandovo is an enterprise formed with a sole purpose of carrying out utility activities for satisfying the needs of the citizens who live in the Municipality of Valandovo.

It was founded in the distant 1952 as an enterprise of public interest, and, since then, it undergoes some transformations, thus receiving the structure and purpose which it has today.

Today, PE KOMUNALEN SERVIS VALANDOVO is organized in several working units and it carries out the following utility services:

- ↪ It supplies the City of Valandovo and the villages Rabrovo, Chalakli, and Dedeli with drinking water;
- ↪ It gathers, transports, and disposes of the waste in the City of Valandovo;
- ↪ It maintains public land, parks, and greenery;
- ↪ It maintains the city bazaar in the City of Valandovo.
